## Change Task

What would you like to do ? Manage Company Association Requests Go

## Manage Company Associations

These are requests initiated by an employee or a PSS Administrator from your company in your selected country.

1. To approve a request, choose a contact and click on "Approve" Button, confirm it and submit.
2. To deny a request, choose a contact and click on "Deny" Button, provide the reason of denial and submit.
3. If you are an Administrator for multiple countries click "[select geography](#)" to change countries.

### Employee Initiated Requests

This list includes all the requests raised by a company employee. An administrator can either approve or deny the request. Once approved, your employee will have partner-level access.

To more easily find a contact, [filter this list](#)
