

3589US3

3.5 Inch SATA External
Hard Drive Enclosure

User Manual

Thank you for choosing ORICO product.
Please read this user manual carefully before using.

Installation Guide

Hold the enclosure steady with one hand and grab and pull the gap with the other.

Insert a hard drive, pay close attention to its orientation, just as it was in the picture below. Close the gap. If your hard drive shudders while you moving the enclosure, open again to install a spring cushion, to do so just adhere the sponge on location.

Close the gap in indicated direction (see following picture).
