

UpStand™

The iconic iPad Stand

ST-818 Deluxe Aluminium iPad Stand

Just Mobile UpStand™ is the high-style esktop stand for iPad. Precision engineered from aluminium, the UpStand™'s supporting grips are finished in rubber to hold your iPad firmly in place and keep it pristine. It's compatible with most iPad cases, too.

The UpStand™ will float your iPad at just the right height for desktop use - it's perfect for working with a Bluetooth keyboard, watching movies or using the iPad as a digital picture frame.

Add the right app, UpStand™ will even turn your iPad into a recipe book, alarm clock or TV. UpStand™ - standing up for the infinite possibilities of iPad.

Features:

- Solid aluminium construction
- Stylish and practical
- Non-slip feet
- Perfect viewing angle
